

Meetings in Frankfurt's unique city retreat:

Rocco Forte's Villa Kennedy

Beginning March 1st 2006 Rocco Forte's Villa Kennedy is the ideal location for all kind of events. Over the past year the C&I team of the former Villa Speyer has successfully coordinated an array of projects including numerous conferences, fashion shows, dinners, weddings and automobile presentations.

Villa Kennedy's combination of tradition and modernity offers the perfect set up: the charm of the turn-of-the-century, together with architectural generosity and minimalist design produce an individual atmosphere for private as well as public events. Located on the Kennedyallee, just off the south bank of the Main River, it is nestled amongst extensive green areas, providing a unique retreat from the bustle of the city, yet still within easy reach of the main business and leisure areas: only ten minutes away from the main station and fifteen minutes to the international airport.

"..most of our guests assure us that once they settle into the hotel they don't feel like leaving anymore ... especially in the summer when the courtyard provides an unique space of tranquillity and pleasure." Georg Plessner, General Manager of Villa Kennedy.

Guests enjoy first class service: spa breaks even on a busy working day, business lunch or dinner at the Italian restaurant "Gusto" and an inner courtyard garden which is open during the warmer months, as well as exclusive cocktails at the stylish JFK bar & lounge featuring live music.

The Villa Kennedy has a total conference capacity of up to 700 people. Business clients can benefit from seven meeting rooms: for groups up to 45 people each. There is also a 330-square metre ballroom with its own entrance and a grand lobby. The ballroom can accommodate up to 350 as well as be divided into two rooms, which seat up to 200 people comfortably. All rooms have natural daylight and are equipped with the latest technology. The hotel has an underground parking spaces reserved for hotel guests.

In the summer period the inner courtyard of the five star hotel offers an ideal location for luncheons, receptions or dinners - either next to the fountains or under the oak. Framed with classical colonnades, the courtyard can almost be characterized as an "Italian piazza" inviting all guests for a meeting or simply a relaxing get together.
